
Freud Proust And Lacan Theory As Fiction

love, drive and desire in the works of freud, lacan and proust - both freud and lacan have made love the object of scientific enquiry, which is in itself remarkable, since we usually turn this subject over to literary and philoso-phical treatment. this article discusses freud and lacan's contributions to the psychology of love through dialogue with marcel proust's seminal novel, remem- **cambridge university press**
